SUNDAY WORSHIP

December 25, 2020

Poinsettia Memorials

Those who have ordered poinsettias in memory of loved ones are encouraged to take your poinsettia to a shut-in or neighbor after the final Christmas Eve Service.

Baptism and Memberships

In the coming weeks we will be celebrating new members to Hillcrest and Baptizing those who are ready to take these steps. We can make these steps of faith happen for you this winter, too. Just contact the church office!

Did You Know?

Fresh Prayer, Jump Start and Sunday worship are all available as podcasts. Search your favorite platform (including Spotify and Apple Podcast) for Hillcrest Jamestown.

Hillcrest Masks Available

Now you can look like one of the cool kids too! Help prevent the spread of germs with a genuine Hillcrest face mask. Available from the Church Office during the week or at the Information Station on Sundays for just \$2 each while supplies last.

Are you coming?

Please remember to RSVP *every week* for in-person Sunday services so that we can stay within capacity limits and safely distance in the auditorium.

Take the class that's helped nearly
6 million people
learn how to manage their money
with confidence!

Financial Peace University (FPU) is the nine-lesson class that will teach you how to pay off debt, save and invest for your future. You'll also connect with others, just like you who can hold you accountable, encourage you, and celebrate your progress! Call the church office to register.

Connect and Grow in the New Year

Start the new year by connecting with one of our Sunday morning adult classes at 10 am starting on Sunday, Jan. 3. Contact the church office to sign up!

Survey of the New Testament, North Room

Join Pastor Dan as he walks the class through the New Testament books of Galatians through Revelation and learn more about these letters of Paul, Peter and John to the early churches and the instruction that still applies to our lives today. High school and college students are also welcome, as well as online participants via Teams.

Apologetics 101, Marker Room (#3??)

Learn how to respond to friends and family that pose objections to your faith in Jesus. Discuss when and how to defend God and the Bible, and answer hard questions about philosophy and science. Participants are invited to interact, take notes and apply tools in practical conversation as Mandie Chapman leads this in-person class.

Why Do You Believe in What You Believe?, online via Zoom

Both mature believers and new Christians can get stumped when challenged to explain their beliefs. Chris Collins, a public school teacher who is experienced with leading online instruction and discussion, will explore a variety of topics to help you grow deeper in your faith.
